Things to Bring and Wear

Sailing is a water sport and sailors will always get wet. At the very least, they will get wet feet when launching the yachts, and at the worst they will get completely wet after a capsize. It is therefore essential to bring a complete change of clothes and a towel for a shower at the club after sailing.

For each practical session please bring the following:

- Sneakers and socks (they will get wet)
- Shorts and tracksuit trousers
- A long sleeve shirt
- A jumper. If it’s cold more than one may be needed
- A spray jacket
- A hat
- Sunscreen lotion
- Something to drink

The above items of clothing should be brought each day. What is actually worn will depend on the weather. Don't worry about the clothes being new or fashionable. Most clothes worn by sports sailors are of the old and worn variety - they will get wet!
