5.5 **FFIA Annual General Meeting.** The Annual General Meeting of FFIA will be held at CYC on Wednesday 6th January 2016 at 1000 hrs.

6 **REGISTRATION, INSPECTION AND MEASUREMENT**

6.1 At Registration, all entrants are required to present the boat’s Measurement Certificate, together with a declaration and evidence of adequate insurance cover (see section 16), current financial membership of a Flying Fifteen International Class Association, and helm and crew membership of, or affiliation to, their Member National Authority (YA in Australia).

6.2 Not more than two mainsails, two headsails, and two spinnakers shall be registered for use in the regatta. In the event that a sail or spar has been lost or damaged during the course of the Championship to such an extent that it cannot be used, the Race Committee may authorise the use of a replacement sail or spar.

6.3 Following Registration a boat must be presented for safety and measurement inspections. A boat’s entry will not be deemed complete until these checks have been satisfactorily completed.

6.4 As required by the Race Committee or as directed by the Protest Committee, a boat may be inspected and re-measured at any time during the regatta.

7 **SAILING INSTRUCTIONS**

7.1 The Sailing Instructions will be available after 1000hrs on Sunday 3rd January 2016 at the CYC Regatta Office.

7.2 A draft of the Sailing Instructions will be available on the CYC website ([www.canberrayc.com](http://www.canberrayc.com)) from Tuesday 1st December 2015.

7.3 The written Sailing Instructions issued at Registration will supersede any previous versions; any further variations from these written Sailing Instructions will be notified in accordance with the Sailing Instructions.

8 **VENUE**

8.1 CYC is located centrally in Canberra, at Mariner Place, Yarralumla.

8.2 The Regatta Office is in the CYC Sailors’ Cabin on the ground floor at the rear of the collocated Canberra Southern Cross Yacht Club.

8.3 Racing will be conducted on the West Lake portion of Lake Burley Griffin, adjacent to the CYC.

9 **THE COURSES**

9.1 The courses to be sailed will be a combination of windward and return and triangular, or of only windward and return configurations, as set down in the Sailing Instructions.

9.2 Racing will be conducted over a combination of short and long courses, with target times of 60 minutes and 90 minutes respectively for the first boat.

10 **SCORING**

10.1 Up to eight Championship races are scheduled, of which four are required to be completed to constitute a series.
10.2 When fewer than five (5) Championship races have been completed, a boat’s series score will be the total of her Championship race scores.

10.3 When from five (5) to seven (7) Championship races have been completed, a boat’s series score will be the total of her Championship race scores excluding her worst score.

10.4 When eight (8) Championship races have been completed, a boat’s series score will be the total of her Championship race scores excluding her two worst scores.

10.5 Handicaps for the Allen Brooke Trophy will be determined by back calculation using the Top Yacht Software race scoring system. Points will be awarded for handicap results in accordance with 10.2, 10.3 and 10.4 above. A boat that finishes in the first three places in either the Open, Silver, or Classic Divisions will be ineligible to win the Handicap Trophy. This changes Rule A2

10.6 Series scores for the Flying Fifteen International 54th Australian Championship shall be based on a fleet inclusive of all boats. The Classic and Silver Divisions will also be scored as separate fleets. Series handicap results will be determined for the fleet inclusive of all boats.

11 SUPPORT BOATS
11.1 Powered boats require a permit issued by the National Capital Authority to be operated on Lake Burley Griffin. Participants planning to have a powered support boat should contact the CYC Club Manager no later than Friday 4th December 2015 to allow an appropriate permit to be obtained.

11.2 Support boats shall clearly display a white flag. Support boats, coaches and other support personnel shall not encroach within 50 metres of or communicate with any competing boat in the race area between the warning signal of any race and when the boat being contacted has finished that race and cleared the finishing line or has retired.

12 BOAT PARKING AND LAUNCHING
12.1 The regatta will be a ‘dry’ regatta. Boat park accommodation will be provided within the grounds of the CYC for all competing boats. Launching and retrieval of boats is either:
   (a) via a launching crane and finger jetty adjacent to the boat parking area,
   (b) via a launching ramp adjacent to the boat parking area, requiring hand towing of trolleys or road trailers, or
   (c) via two launching ramps and jetty, and a beach area, situated about 200 metres from the boat parking area, requiring vehicle towing into position to launch and retrieve boats on road trailers.

Any lifting tackle to be used to launch boats using the crane is required to be certified by an appropriate government authorised authority.

12.2 No cars will be permitted on the grassed boat parking area.

13 RADIO COMMUNICATION
13.1 Except in an emergency, a boat shall neither make radio transmissions while racing nor receive radio communications not available to all boats. This restriction also applies to mobile telephones. This changes Class Rule B14.5.
