

Seafly Trophies Regatta including the Woollahra Plate Race 12 October 2025

NOTICE OF RACE & SAILING INSTRUCTIONS

When Lake Burley Griffin was filled in the early 60's one of the most common sights was the Seafly dinghy. During that era, races were sailed using several fixed buoys, located around the lake, over a figure-8 course. After many years of competitive sailing a variety of trophies were awarded. The intention today is to race under a similar format to see which boat from all Divisions can complete the first lap (subject to completing their respective course) in the fastest time and to award some of those older trophies to sailors.

1 RULES

- 1.1 The NoR and SI of the CYC Pointscore Series 2025-2026 will apply for this race, expect for changes outlined in this document.

2 SCHEDULE OF RACES

- 2.1 The single race will be conducted on Sunday 12 October 2025 with the first warning signal at 1400. The Race Officer may combine the starts of two or more Divisions.

6 SCORING AND PRIZES

6.1 The Woollahra Plate will be awarded to the boat that completes the first lap of the course in the fastest corrected time provided that boat completes the remainder of the course for their Division. Completion of the first lap occurs when the boat passes between Mark 4 and a line drawn between Mark 4 and the CYC Tower. Mixed Class Correction Factors will be used to compare corrected times between different classes of boats.

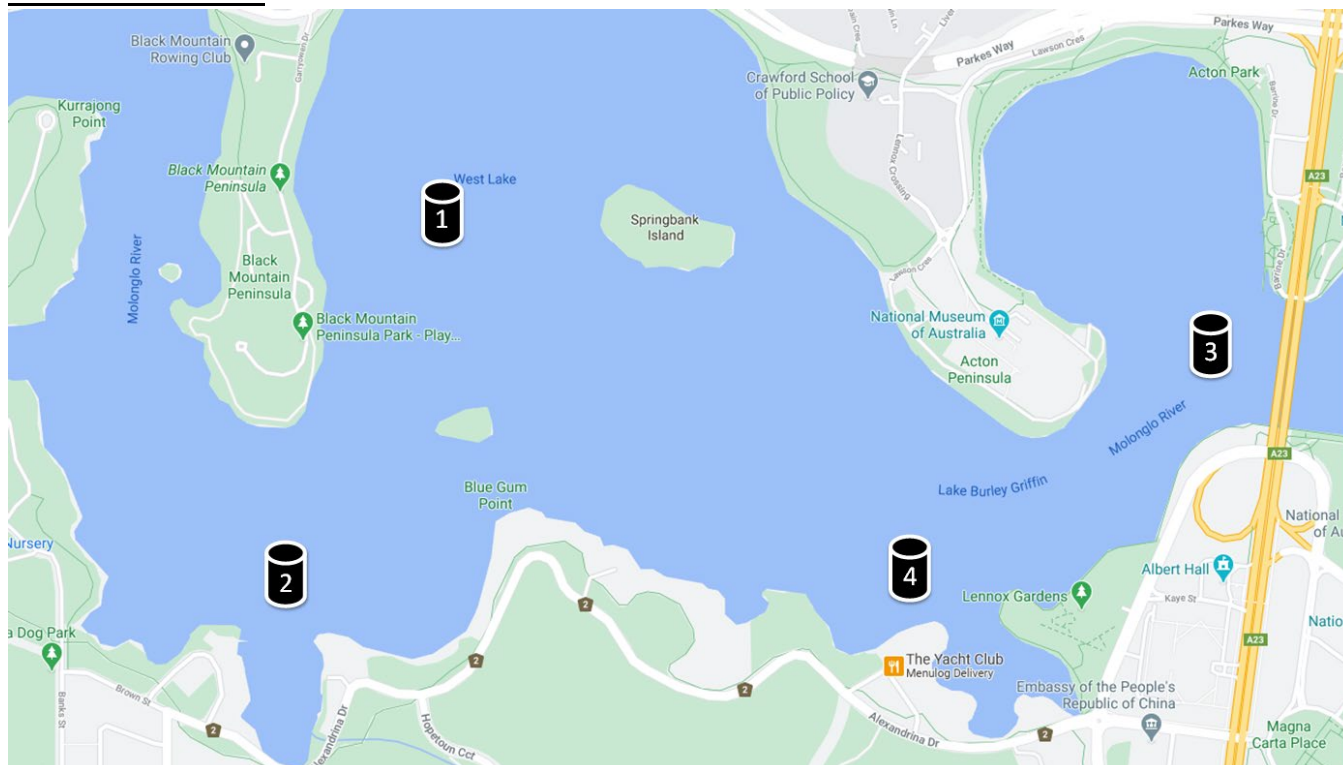

6.2 In addition, for those boats that complete the race the following awards will be presented:
