

Canberra Yacht Club CORPORATE HIRE

Let us help you deliver a fun and dynamic team building activity!

The Canberra Yacht Club offers sailing experiences for businesses and groups looking for something different.

Why not have your next team building activity or Christmas Party out on the waters of Lake Burley Griffin?

Our most popular package sees up to 24 participants kitted up with life jackets, run through a safety briefing and taught how to rig, launch and sail our modern boats under the guidance of a qualified Australian Sailing instructor. The end of the session will see you partake in your own company regatta.

Paddle boards can also be hired to supplement sailing activities or as a separate experience.

For further details on tailoring an experience for your group contact the Canberra Yacht Club Sailing School on **6273 4777** or email admin@canberrayc.com
