CONDITIONS OF BOAT PARKING

Boat parking is provided to Club members who use their boat on a regular basis. With demand for boat parking exceeding supply, the Committee reserves the right to deny renewal or continued allocation of a boat park to those who do not average at least 2 sails per month between October and May.

ENTITLEMENT TO BOAT PARKING

Allocation of boat parks is at the complete discretion of the Club and the Club reserves the right to refuse any application for parking and to cancel the boat parking agreement during the period. If the Club accepts the owner's application, the owner must be a full member of the Club and will be entitled to park their boat in the allotted space for the period covered by the payment, subject to the CYC Boat Storage Policy.

The allocated space may only be used for the storage of the boat as indicated on the owner's application form, unless otherwise agreed by the CYC Office Manager.

OWNER'S RESPONSIBILITIES:

Owners are to:

- (a) Ensure their boat is reasonably secured in its allocated space and will not pose a danger or cause injury. Masts should be raised where required.
- (b) Ensure the boat and boat space is clean and tidy at all times. Fitted, canvas or like material boat covers should be used on dinghys. Tarps may be used for catamarans/trailer sailors provided they are in good condition, appropriately secured and well maintained.
- (c) Ensure there is no outboard motor stored on or in the boat, or anything else of value which might tempt thieves.
- (d) Insure the boat against third party injury and property damage to a minimum of \$10,000,000.

CHANGE OF ALLOTTED BOAT SPACE

The Club may change the space allocated to the owner if the Club considers it in the interests of efficient boat parking to do so. The Club may move boats as required to facilitate yard maintenance. If a trailer lock is fitted, a key must be provided to the CYC Office manager.

CHANGE OF BOAT OWNERSHIP OR REMOVAL

If the boat ownership changes or the owner permanently removes the boat, the boat park will revert back to the Club. In this case you may request a pro-rata re-imbursement of fees for unused periods of over 3 months. In the case of a new owner, they must apply for a parking space.

LIABILITY

The owner acknowledges that boat parking is at the owner's risk. The CYC accepts no responsibility for loss of or damage to the boat, trailer, contents, fittings or accessories.

TERMINATION

If the owner fails to comply with the boat parking policy, the Club may terminate the boat parking agreement by notice in writing to the address last known on the Club's records, and require removal and collection of the boat within 7 days of the date of the notice on a business day by 4pm.

If not removed within the prescribed time the Club may take action in accordance with the ACT Uncollected Goods Act, which may result in disposal of the boat. The Club reserves the right to engage a debt collection service to recoup unpaid fees. Any additional fees charged by the debt collection service will be the responsibility of the boat owner.

Please sign to acknowledge acceptance of these conditions.
